This instruction establishes a Hill AFB Installation Curfew and provides program guidance. It implements *AFPD 31-2, Law Enforcement*. It prescribes a minor (defined as anyone under the age of eighteen years) curfew and outlines standards procedures for dealing with violations. It applies to all persons who are minors of active duty, temporary duty, retired US military, DoD civilians, and any non-base affiliated guest sponsored on base. It does not apply to active duty military members under 18 years old. The objective of this instruction is to provide a safe and secure living and working environment for Air Force employees, members, and their families. It brings installation policy in line with local ordinances in the surrounding communities (Layton City Ordinance 9.24.010 and Clearfield City Ordinance 6-2-2). When violations do occur, it establishes procedures for dealing with offenders.
